

Florence Roche School

“THE EMPEROR’S NEW CLOTHES”

Practice your lines so you do not need to hold your script. They really get in the way when we’re choreographing the songs. Know all the words in the script and music!!

Also, practice the songs AND movements (in front of a mirror).

Please also note that we do not expect you to miss any regularly scheduled activity for an after-school rehearsal. Continue attending dance class or band rehearsals. The last two weeks prior to our performance, however, we expect that you will reschedule or cancel any after-school activity that would result in missing play rehearsal. **If you take band, plan to attend the band rehearsal, but also attend after-school play rehearsals for the remaining amount of time.**
