

Criteria for entrance into Algebra I in grade eight:

*Please note that in order for students to be placed into Algebra I next year, students must meet all four criteria. Otherwise, they will be placed in Math 8 for next year.*

<b>Criteria</b>	<b>Results</b>
Grade 7 unit tests given throughout the year	Students' test scores must be an average of 85% or higher
Orleans-Hanna Algebra Prognosis Test	Students must receive an 86% or higher
Teacher recommendations are based on: 1. Ability to work independently 2. Ability to work efficiently and at an accelerated pace 3. Ability to work in an organized manner	Criteria will be evaluated on a scoring rubric in which students must receive a 9 out of 12.
Results of Grade 6 MCAS tests	Students must receive a high proficient or advanced score (at least 250)
