Re: Start Dates for the 2009-10 School Year

The purpose of this communication is to provide an update on the start dates for school next fall.

To assist in your summer vacation plans please review the dates that students will be starting school in September. They are as follows:

First Day of School	Grades
Wednesday, September 2 nd	Grades 1 – 9
Thursday, September 3 rd	Grades 10 – 12 will join Grades 1 – 9
Thursday, September 3 rd	Kindergarten Orientation *
Friday, September 4 th	Pre-K/Kindergarten

** Parents will bring their child to the school and meet in the child's classroom. The children will take a practice bus run and learn a little about bus safety. Your child will be brought back to the classroom for you to take him/her home. While your child is on the bus ride, parents will meet with the principal to answer any questions you might have about kindergarten. The first day of class for Pre-K and Kindergarten will be on Friday, September 4th.*

I hope providing this information at this time is helpful.
